7" Video Well Box

**The 7" Video Well Box isn't just packaging
it's a stage for your brand.**

Our luxury presentation box combines premium craftsmanship with a high-definition 7" HD video display, delivering an unforgettable, immersive brand experience the moment it's opened. With auto-play functionality, 256 MB – 2 GB of memory, and a built-in rechargeable battery for multiple viewings, your message is guaranteed to make a powerful and lasting impact.

But the true power lies in the customizable well inside the box designed to hold anything from exclusive event tickets, backstage credentials, luxury passes, VIP gifts, or curated product samples. This flexibility transforms the box into more than a video player; it becomes a fully integrated marketing tool that speaks directly to your audience's senses sight, sound, and touch. Sturdy enough to ship, yet elegant enough to hand-deliver, the 7" Video Well Box is the ultimate solution for product reveals, influencer kits, high-stakes pitches, or VIP gifting. Think of it as a digital video brochure reimagined, crafted to captivate, impress, and convert.

The Business Card That No One Forgets.

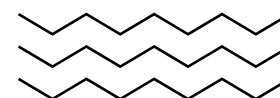

Sized at just 2 ¼ x 4 inches, our Video Business Card packs a 3-inch HD IPS screen that instantly grabs attention and leaves a lasting impression.

People remember 65% of what they see and hear together—making video the most powerful way to stand out.

Unlike paper cards, video business cards feel personal, premium, and impossible to ignore.

- Pocket-sized & rechargeable
- Full-color printing
- Reloadable video content
- No internet needed
- Proven higher response rates

This is more than a business card—it's an experience.

4.3" Impact Reveal

The 4.3” Dynamic Reveal Video Brochure

Make every introduction unforgettable with the 4.3” Impact Reveal™ Video Brochure. Sleek and slim at 8.3125” x 4.625” x 0.5”, it pairs a stepped reveal design with a crystal-clear 4.3” HD IPS display, playing up to 3 unique videos (10–20 minutes, 256–512 MB).

Built for reliability, it offers 1.5 hours of playback and 4–6 months standby, recharges easily via USB-C, and updates content on demand. Perfect for product launches, VIP invites, and executive presentations, it delivers a premium brand experience that lasts.

Key Features:

- Dimensions: 8.3125” x 4.625” x 0.5”
- Up to 3 unique videos per brochure
- 1.5 hours active battery life / 4–6 months standby
- USB-C cable included for recharge & video transfer
- Full-color printing and premium finish for high-impact campaigns

The 4.3" VisionPro™ Video Brochure

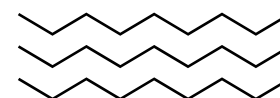

Command Attention with the 4.3" Portrait Impact™ Video Brochure
